Children's Scholarship Fund Baltimore, Inc.

### REPORT ON THE FINANCIAL STATEMENTS

---

We have audited the accompanying financial statements of Children's Scholarship Fund Baltimore, Inc., which comprise the Statements of Financial Position as of June 30, 2021 and 2020, the related Statements of Activities, Functional Expenses, and Cash Flows for the years then ended, and the related notes to the financial statements.

### MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

---

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### AUDITORS' RESPONSIBILITY

---

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe the audit evidence we obtained is sufficient and appropriate to provide a basis for our audit opinion.

**NOTE 1**    **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**NATURE OF OPERATIONS**

Children's Scholarship Fund Baltimore, Inc. (Organization) is a not-for-profit organization that provides needs-based scholarships to assist parents in sending children to the schools of their choice. The Organization receives the majority of its funding from individual and foundation grants.

**ACCOUNTING STANDARDS CODIFICATION**

All references in the financial statements to the Codification refer to the Accounting Standards Codification and the Hierarchy of Generally Accepted Accounting Principles (GAAP) issued by the Financial Accounting Standards Board. The Codification is the single source of authoritative GAAP in the United States.

**BASIS OF PRESENTATION**

The financial statements were prepared on the accrual basis of accounting in accordance with GAAP. Under the accrual basis of accounting, support and revenue are recorded when earned and expenses are recorded when incurred. Net assets, revenues, and expenses are classified based on the existence or absence of donor-imposed restrictions. Net assets with donor restrictions consist of assets whose use is limited by donor-imposed, time, and/or purpose restrictions.

**USE OF ESTIMATES**

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses. Actual results could differ from those estimates.

**INCOME TAXES**

The Organization is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code. In addition, the Internal Revenue Service determined the Organization is not a private organization within the meaning of Section 509(a) of the Internal Revenue Code.

The Organization follows the provisions of Accounting for Uncertainty in Income Taxes under the Income Taxes Topic of the Codification. The Codification requires the Organization's evaluation of tax positions, which include maintaining its tax-exempt status and the taxability of any unrelated business income, and does not allow recognition of tax positions which do not meet a "more-likely-than-not" threshold of being sustained by the applicable tax authority. Management does not believe it took any tax positions that would not meet this threshold.

*(See Independent Auditors' Report)*

#### **CASH AND CASH EQUIVALENTS**

At times, the Organization may have bank deposits that exceed the federally insured limits. The Organization believes it is not exposed to any significant credit risk on cash and cash equivalents.

The Organization considers all highly liquid investments with original maturities of less than three months to be cash equivalents.

#### **INVESTMENTS**

The investment is stated at fair value. Changes in the fair value are recorded as unrealized gains and losses, which are reflected in the Statements of Activities during the period in which the changes occur. Realized gains and losses are also reflected in the Statements of Activities during the period when the investment is sold. See Note 6 for a discussion of fair value measurements.

#### **REVENUE RECOGNITION**

Pledges and contributions are recorded when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions received and unconditional promises to give are measured at their fair values and reported as support within net assets with donor restrictions or net assets without donor restrictions, depending on the existence and nature of any donor restrictions. All donor-restricted support is reported as an increase in net assets with donor restrictions, depending on the nature of the restriction. Contributions and registration fees associated with special events are recognized at the time of the related event.

#### **FUNCTIONAL EXPENSES**

Functional expenses were allocated between program and supporting services based on an analysis of personnel time and space utilized for the related activities.

#### **DONATED GOODS AND SERVICES**

Donated services are recognized at fair value if the services received (a) create or enhance long-lived assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. There were no donated services for the years ended June 30, 2021 and 2020.

In addition, volunteers donated significant amounts of time to the Organization. The value of these donated services is not reflected in the financial statements since the services do not require specialized skills.

*(See Independent Auditors' Report)*

**BENEFICIAL INTEREST IN ASSETS HELD BY OTHERS**

The Organization has a beneficial interest in an investment pool held by the Baltimore Community Foundation. GAAP requires not-for-profit beneficiaries of endowment funds held by unrelated parties to record, as a contribution and an asset, the present value of the estimated cash receipts to be received from the endowment fund over the life of the endowment fund. Due to the perpetual nature of the fund held by the Baltimore Community Foundation, the future cash flows from this fund cannot be estimated. Under such circumstances, not-for-profit organizations are permitted to base the present value measurement on the fair value of the endowment fund's assets. Contributions to the fund are to be recorded as permanently restricted in the Statements of Activities. Annual income distributions from the fund are recorded as investment income in the Statements of Activities.

**SUBSEQUENT EVENTS**

The Organization evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through October 15, 2021, the date the financial statements were available to be issued.

**NOTE 2 SOFTWARE**

Software at June 30, 2021 consisted of the following:

Software	\$ 4,000
Less: Accumulated Depreciation	<u>(1,222)</u>
	<u><u>\$ 2,778</u></u>

**NOTE 3 FUND THE FUTURE CAMPAIGN**

Fund the Future Campaign was established to ensure the Organization has adequate funding for scholarships at the beginning of each school year, rather than at the end. Further, Fund the Future Campaign will allow the Organization to inform families of their scholarships each fall, at the beginning of the school selection process for the following year, and provide time for them to choose the best school for their children, while also saving and securing resources necessary for their contribution toward tuition. The Organization exceeded the goal to raise \$1 million beyond its annual fundraising goal through the three-year campaign.

*(See Independent Auditors' Report)*

**NOTE 4**    **NOTES PAYABLE**

In April 2020, the Organization received a loan of \$29,800 under the Small Business Administration's (SBA) Paycheck Protection Program (PPP). The Organization used the funds primarily for payroll costs incurred during the 24-week period beginning in April 2020 in accordance with the terms of the PPP. The Organization applied for forgiveness of the loan under the terms of the PPP and received notification from the SBA that the loan was forgiven. Forgiveness income in the amount of \$29,800 is included as grant income in the Statement of Activities. PPP loans are subject to audit for six years by the U.S. Department of Treasury, SBA, or lender; as a result of such audit, adjustments to the recognition of revenue could be required.

In March 2021, the Organization received a loan of \$34,790 under the SBA's PPP. A portion or all of the loan may be forgiven provided the funds are used for the specified purposes outlined by the PPP. Any amounts not forgiven will be repaid in monthly installments, including interest at 1% beginning the earlier of: a) 10 months after the end of the Covered Period, as defined, or b) the date the SBA remits the forgiven amount to the lender, through March 2023. Management anticipates all requirements of the PPP will be met and the full loan amount will be forgiven, at which time the loan forgiveness income will be recognized. While the Organization believes it acted in compliance with the PPP and plans to seek forgiveness of the PPP loan, no assurance can be provided that the Organization will obtain forgiveness of the PPP loan in whole or in part.

**NOTE 5**    **INVESTMENTS**

Excess cash held by the Organization was invested during the year ended June 30, 2021 in accordance with the approved Investment Policy Statement. Investments consisted of a mutual fund at June 30, 2021.

Total Investment at Fair Value	\$ 950,018
	<u>                    </u>
Total Investment at Cost	\$ 950,000
	<u>                    </u>

**NOTE 6**    **FAIR VALUE MEASUREMENTS**

The Fair Value Measurements and Disclosures Topic of the Codification establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

*(See Independent Auditors' Report)*

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Below are descriptions of the valuation methodologies used for assets measured at fair value.

Mutual Funds are valued at the net asset value (NAV) of shares held at year end. NAV is a quoted price in an active market. The Investments consist of a mutual fund and is a Level 1 investment.

The beneficial interest in assets held by the Baltimore Community Foundation. are Level 3 investments. The Organization has no control over or possession of the investments that are held by the Baltimore Community Foundation.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

*(See Independent Auditors' Report)*

**NOTE 7**    **ENDOWMENTS**

The Organization's endowment consists of donor-restricted endowment funds as described below. As required by GAAP, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

The Organization created an endowment fund in the name of Howard Baetjer, Jr., with contributions from various donors in February 2007. The fund is part of the Baltimore Community Foundation Pool which invests in a mixture of equity and debt index mutual funds. The Baltimore Community Foundation Pool has variance power over the funds, including, but not limited to the power to own, hold, manage, invest and reinvest the funds, and to commingle for investment purposes, in accordance with the Baltimore Community Foundation's spending and investment policies. Contributions to the fund are to be invested in perpetuity and reported in the Statements of Financial Position as beneficial interest in the assets of the Baltimore Community Foundation. The earnings from the fund are available for the distribution of scholarships and other Board-directed use.

**INTERPRETATION OF RELEVANT LAW**

The Board of Electors of the Organization is subject to the Maryland Uniform Prudent Management of Institutional Funds Act (UPMIFA) and, thus, classifies amounts in its donor-restricted endowment funds as net assets with donor restrictions because those net assets are time restricted until the Board of Directors appropriates such amounts for expenditure. Most of those net assets also are subject to purpose restrictions that must be met before reclassifying those net assets to net assets without donor restrictions. The Board of Directors of the Organization interpreted UPMIFA as not requiring the maintenance of purchasing power of the original gift amount contributed to an endowment fund, unless a donor stipulates the contrary. As a result of this interpretation, when reviewing its donor-restricted endowment funds, the Organization considers a fund to be underwater if the fair value of the fund is less than the sum of (a) the original value of initial and subsequent gift amounts donated to the fund and (b) any accumulations to the fund that are required to be maintained in perpetuity in accordance with the direction of the applicable donor gift instrument. The Organization interpreted UPMIFA to permit spending from underwater funds in accordance with the prudent measures required under the law. Additionally, in accordance with UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) Duration and preservation of the fund
- (2) Purposes of the Organization and the donor-restricted endowment fund
- (3) General economic conditions
- (4) Possible effect of inflation and deflation
- (5) Expected total return from income and the appreciation of investments
- (6) Other resources of the Organization
- (7) Investment policies of the Organization

*(See Independent Auditors' Report)*

**RETURN OBJECTIVE AND RISK PARAMETERS**

The Organization adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowments while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the Organization must hold in perpetuity. Under this policy, as approved by the Board of Directors, the endowment assets are invested in a manner that is intended to produce results that exceed the price and yield results of the S&P 500 index while assuming a moderate level investment risk.

**STRATEGIES EMPLOYED FOR ACHIEVING OBJECTIVES**

To satisfy its long-term rate of return objectives, the Organization relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends).

The Organization targets a diversified asset allocation that places a greater emphasis on equity-based and alternative investments to achieve its long-term return objectives within prudent risk constraints.

**SPENDING POLICY**

Earnings on the endowment fund are transferred to unrestricted assets in their entirety. Losses are funded by unrestricted net assets. The Organization has a policy of appropriating for distribution each year 100% of the earnings in excess of the original corpus amount.

**ENDOWMENT FUND DEFICIENCIES**

From time to time, the fair value of assets associated with a donor-restricted endowment fund may fall below the level that the donor of UPMIFA requires the Organization to retain as a fund of perpetual duration. The fair value of assets for the donor-restricted endowment fund was not less than the amounts required by the donor for the years ended June 30, 2021 and 2020.

Changes in endowment net assets for the year ended June 30, 2021 were as follows:

	<b>Without Donor Restrictions</b>	<b>With Donor Restrictions</b>	<b>Total</b>
Endowment Net Assets, Beginning of Year	\$ 4,633	\$ 26,525	\$ 31,158

**NOTE 10 EMPLOYEE RETIREMENT PLAN**
